1. Construction work is under way on an artificial canal which will irrigate the "Alföld Puszta" (Alföld plain) extending west of Nyiregyháza and Debrecen. It is planned to create rice fields in this area.

2. The canal joins the Tisza River at an unknown point, and this will be the source of its water. From the river, the canal will run east toward Nyiregyhaza. It will follow the Debrecen-Nyiregyhaza railway line, and is 25 to 30 meters to the west of the tracks for two to three kilometers in the vicinity of Nagykalle.
